

Welcome to the 2026–2027 Season of Voltage Athletics

From my heart to yours—thank you for being here.

Dear Voltage Families,

Welcome to our second official season of Voltage Athletics. Writing this still feels a little unreal. What started as a dream, late nights, and a whole lot of faith has grown into something bigger than I ever imagined and it's because of families like yours.

Voltage Athletics was created from a deep belief that every athlete deserves a place to feel confident, supported, and proud of who they are becoming. This isn't just a cheer program to me. It's a community. A safe space. A place where athletes are encouraged to try, fail, grow, and celebrate their wins—big and small. Watching this program come to life has been one of the most meaningful experiences of my life.

As we head into this new season, my heart is focused on growth - growth in skills, confidence, resilience, and character. Every practice is an opportunity for your athlete to learn something new, to believe in themselves a little more, and to feel the power of being part of a team that truly cares. Whether this is your athlete's first season or another step in their cheer journey, they matter here.

I know trusting someone with your child is not something you take lightly. Please know that your athletes are cared for, supported, and coached with intention. Communication, respect, and partnership with our families are incredibly important to me, and I'm so thankful for the trust you place in Voltage Athletics. This registration packet is here to help you feel confident and prepared as we move forward together.

Thank you for believing in this program. Thank you for showing up, supporting your athletes, and being part of something special. Together, we are not just building teams; we are building confidence, memories, and a legacy that will last far beyond the season.

I cannot wait to see what this year brings.

Let's bring the energy. Let's grow together. Let's continue building the legacy.

Charging into our second season together,

Tiffany Martinez

Competitive Cheer Season

Welcome to the 2026–2027 Voltage Athletics Competitive Cheer Season!

We are so excited to welcome you to our second season of Voltage Athletics. What started as a vision has quickly grown into a strong, supportive, and purpose-driven program—and this season is all about continued growth for *every* athlete.

Every cheerleader who registers will be placed on a team. We believe that every athlete, regardless of experience level, deserves the opportunity to learn, improve, and be part of something powerful. During assessments athletes will be evaluated based on effort, attitude, coachability, and skill development. Final team placements will be completed after assessments. While athletes are typically placed by age group, some may be placed in a higher division based on readiness and overall skill level.

Our teams are the foundation of Voltage Athletics. Teams focus on building strong fundamentals, confidence, teamwork, and a love for the sport. Athletes on Voltage teams will receive structured training in cheer skills, stunting, jumps, tumbling, and performance, with an emphasis on growth throughout the season. We are committed to creating a positive, challenging, and encouraging environment where athletes can progress at their own pace while still being pushed to reach their potential.

As our program continues to grow, elite teams provide an additional opportunity for athletes who are ready for increased training intensity and advanced skill development. While we have added a couple of competitions for Elite team, we still try to keep costs affordable. Elite athletes will be challenged with higher-level routines, stunting, and choreography to prepare them for future competitive pathways as Voltage Athletics evolves.

No matter the team, this season requires commitment—consistent attendance, positive attitudes, and giving 110% effort, even on tough days. When athletes, coaches, and families work together, growth happens both on and off the mat.

We are incredibly proud of how far Voltage Athletics has come and grateful for the athletes, coaches, and families who continue to help build this program.

Let's bring the energy. Let's raise the standard. Let's keep building the legacy.

Welcome to Voltage Athletics — where power meets purpose.

Acknowledgment of Inherent Risk & Safety Guidelines

Cheerleading is a **safe, rewarding, and fun** athletic activity when proper technique and safety rules are followed. However, as with any physical sport, there are **inherent risks** involved. Training involves **aerobic activity, jumping, tumbling, stunting, and motion-based performance**, which can place physical demands on the body.

While following proper coaching, training protocols, and safety precautions reduces risk, it cannot eliminate it completely.

Possible Injuries Include, But Are Not Limited To:

- Muscle strains and ligament sprains
- Bruises (contusions), abrasions, and blisters
- Joint or muscle soreness and stress fractures
- Broken bones or dislocations
- Head, neck, or spinal injuries (including paralysis)
- In very rare cases, severe trauma or death

By participating in Voltage Athletics, you acknowledge the risks and agree to follow all safety rules and guidelines to help minimize the chance of injury.

To Promote Safety, Athletes Must:

- Never stunt, tumble, or condition **without a coach present**
- Always **warm up and stretch** before practice or events
- Use **appropriate spotting and safety mats** at all times
- Never attempt stunts or skills **not approved by a coach**
- Stay focused—**no talking, laughing, or horseplay** during skills
- **Report any injury immediately** to the coach, no matter how small
- **Wear cheer shoes, proper athletic clothing, and bring water**
- **Remove all jewelry and piercings** before participating
- **Chew no gum** during practices or performances
- **Keep hair secured off the face and shoulders**
- **Keep fingernails trimmed** (no longer than fingertip length)
- Eat nutritious meals and **get adequate rest** before practices
- Ask for clarification or help from a coach **if unsure about a skill**
